## Please Note Quilt Categories, Registration and Pick-up Procedures!!!

### Quilt Categories

Our quilt categories are determined by size. Instead of 'Bed quilt, Wall quilt, and Juvenile quilt' categories which often were broadly interpreted and confusing to many, we have chosen to go to a more detailed and less ambiguous description. Quilts will be determined to be Large, Medium, Small or Miniature based entirely on the sum of the length and width of the quilt.

### Quilt Registration

\*Registration will be *Wednesday, 4-27-11*, from 5-8pm and *Thursday, 4-28-11*, from 10am –4pm.

\*A check box will be on the registration form to indicate any item as professionally quilted or quilted by 'self' (for machine *and* hand quilting)

\*Quilt labels must be covered *prior* to registration.

\*Only 2 quilts per numbered category.

\*Quilts should arrive in bags with owner's name on it (owners will take bags home with them).

\*Quilts will be registered by number with a description, owner's name and who will be picking up the quilts, if owner cannot.

\*Choose category for judging *carefully*; it will not be changed.

\*All entries must be 'new' (should not have been in our previous shows) except for Theme Quilt Exhibit quilts.

\*Quilts should be clean and odor-free.

### Quilt Pick-up

\*Show ends at 4pm on Sunday at which time gymnasium will be cleared of all guests; doors will be closed.

\*Guild members will take quilts down and sort by entry number.

\*Quilt owners (or pick-up person) will form line behind the main doors.

\*Guild member will collect entry ticket receipts from the owner, and retrieve the quilts.

\*Quilt owner will sign the receipts and return them to the guild member.

\*Quilt owner can then leave with her quilts.

*We are using this pick-up procedure for the safety of your quilts!  
Please help us make it work!*
